Thanks for Purchasing

Unlike butt expansion, breasts
have quite the catalogue
of art and stories!

Though,
I still wanted to explore and
(hopefully) get something novel
out of it and... god, I can't
even jokingly call it
'a small story'

This first act is only
13 out of, like, 50 pages
planned for this sequel

This has been a long time
coming, but I hope it's
been worth the wait!!

AND THERE I WAS...
I BATTLED THE TREACHEROUS 「GATEWAY GUARDIAN」
HE PUTT-A MIGHTY FIGHT, BUT IN THE END...
KIARA'S THE ONE WHO FLEW INTO THE SUNSET, TAKING WITH ME THE GREAT BOOTY!

A MILLENAR TRADITION
IN ONE GREAT ACT OF SELFLESSNESS, THE DEITIES OF OLD TOOK UPON BIRTHING AND NURTURING OUR THEN PRIMORDIAL KIND
HAPPY HARVEST!!
ALL YEAR ROUND, THEY BLESSED OUR CATTLE AND WATERED OUR CROPS AND
LIKE A MOTHER AND HER CHILDREN, THEY SUSTAINED US THROUGHOUT EVERY ADVERSITY UNTIL WE GREW TO STAND ON OUR OWN
YUP YUP
WE DID NOT FORGE ABOUT THEM HOWEVER, SO EVERY YEAR, AT FULL MOON, WE RAISE OUR GLASSES AND...
YADDA YADDA...
IT'S REALLY STUPID IF YOU THINK ABOUT IT
THEY NURTURED US AND WE DRINK WINE?
WHY NOT MILK?! YOU KNOWW... THE THING WE ACTUALLY GIVE OUR YOUNG!
